

# Cycle the NCN7 Lochs & Glen Way

Here's a guide to cycling on NCN7 Lochs & Glen Way cycle route through the National Park, from Balloch to Killin. Ride some, or all the 61 miles.

**DISTANCES:**  
 Balloch to Aberfoyle 20 miles  
 Aberfoyle to Loch Venachar 8 miles  
 Callander to Killin 33 miles

1

**Balloch** - the busy gateway to the National Park. Take a cruise on Loch Lomond with Sweeney's Cruises.

2

**Balloch Castle Country Park** - follow NCN7 signs through the only Country Park in the National Park.

3

**Croftamie** - call in at But & Ben café and then on towards Drymen crossing a high and narrow bridge.

4

**Drymen** - take a break at Drymen Square and visit the village's new bakery.

5

**Gartmore** - cycle through the beautiful village and into the Trossachs.

6

**Aberfoyle** - there are many fine cafes, including the excellent Station Coffee Shop.

7

**The Lodge Forest Visitor Centre** - cycle up through the forest, passing Go Ape! which has the longest zip slide in Scotland.

8

**Three Lochs Forest Drive** - join the forestry road around some beautiful lochs.

9

**Loch Drunkie** - pause to take in the view of beautiful Loch Drunkie

10

**Loch Venachar** - cycle alongside Loch Venachar towards Callander.

11

**Callander Meadows** - take a break at Callander Meadows.

12

**Loch Lubnaig** - cycle past Forest Holidays lochside lodges.

13

**Strathyre** - stop at Broch Café before the final stretch.

14

**Glen Ogle** - cross the magnificent Glen Ogle viaduct.

15

**Killin** - cycle into Killin, arriving at the dramatic Falls of Dochart.
